

2017 Summer Internship Program

ScienceWorks is offering a limited number of summer internships for students, **ages 14 and older**, who are interested in science, developing new skills that can be applied personally and professionally, having fun and giving back to the community.

Each Intern will:

- Complete a minimum of 50 hours of volunteer service
- 6 hours – **Mandatory Training on Saturday, June 3rd 2017 – 9:30am – 4:00pm**
- 20 hours - Teaching Assistant during one of our weeklong summer camps
5 (Camp Shifts M-F 8:45am-1:00pm, or 12:00pm-4:15pm) Bring Lunch – 4 hour shifts
- 24 hours - Museum Exhibit Interpreter and/or Science Activities Presenter
6 (Floor Shifts 11:00am – 3:00pm, or 2:00pm – 6:00pm) – 4 hour shifts
OR a possibility of assisting with a second summer camp

Internships will be held between June 12th and September 10th. Each intern will be required to attend the 6 ½ hour intern training, and may be assigned to help with one, 20 hour camp. The remaining 24 hours of the internship will be scheduled with a minimum of six, 4 hour shifts working on a variety of assignments. Internships must be completed by Sunday, October 1st 2017, and you **must complete an exit interview** before completion.

Benefits for Participants:

- Each participant will receive experience in the fields of science and education.
- After **successful completion** of the entire 50 hour internship, participants will receive a letter of recommendation, and a certificate of achievement from ScienceWorks.
- Will have a new set of professional skills that will easily transfer to future jobs.
- Possibility of earning a Presidential Award (depending on age and hours per year served).
- Internships also look fantastic on resumes and college applications!

Internship Application Checklist

All applicants must submit *a//*items below.

Incomplete applications will not be considered.

- Completed application form (listing personal information, references, etc.)
- Intern Medical Information
- Intern Agreement (signed by intern and parent/guardian)
- Letter of interest/cover letter.** Part of this program is designed to help you refine job searching skills. Part of successfully finding a job depends on your ability to write cover letters highlighting your abilities and explaining why a company should hire you. This should be typed and properly formatted. Ask an adult how to create a proper cover letter (your address on top right, ours on left above letter.)
 - **If you are a new applicant** who has never participated in the ScienceWorks Internship Program before, please state why you want to be part of this program, what skills you have that would benefit the program, and what you hope to learn from the program.
 - **If you have participated as a ScienceWorks intern before**, you may write about what you learned and liked best about your prior internship experience, what you would hope to improve or learn this year, and why you would like to participate again.
- Please add the following email address to both the intern's and the parent's/guardian's email address book: volunteercoor@scienceworksmuseum.org. This is how you will receive further information about the internship program, so emails from this address need to make it to your inbox.*

Please postmark the completed application, by Friday, April 28th 2017, to:

ScienceWorks Hands-On Museum
